

4Life Transfer Factor® Classic

Raise Your Immune I.Q.

- Supports and maintains a healthy immune system
- Educates immune cells

What is 4Life Transfer Factor Classic?

4Life Transfer Factor Classic supports immune system function with a 4Life's original Transfer Factor XF[®], a concentrate of transfer factor molecules from cow colostrum. These immune messenger molecules support the immune system's ability to more effectively recognize, respond to, and remember potential health threats.

PRIMARY SUPPORT:
Immune System
General Wellness

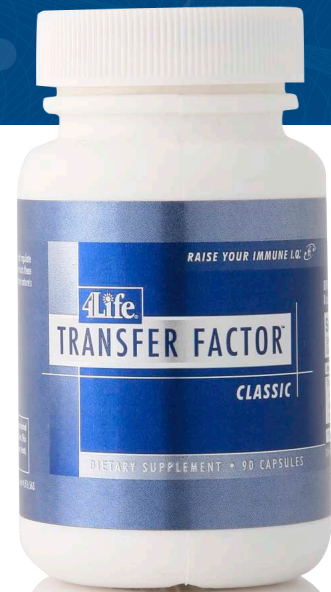

SECONDARY SUPPORT:
Cardiovascular
Energy

Key features

- Promotes healthy immune system function that, in turn, promotes increased energy and the healthy function of all other systems throughout the body.
- Contains immune-enhancing transfer factors (immune messenger molecules) and other natural components from cow colostrum that help educate immune cells.
- Increases immune cell function up to 204% above normal immune response*.

Did You Know?

4Life Transfer Factor Classic is 4Life's original formula, containing transfer factors from cow colostrum. Since this first product was released in 1998, 4Life has pioneered Transferenceutical™ Science, innovating more than 25 new products containing immune-enhancing transfer factors.

DIRECTIONS: Take three (3) capsules daily with 8 oz of fluid.
